## Statement of Commitment to Child Safety

At Australian Anatolian Community Services, we are dedicated to creating and maintaining a safe and secure environment for children. WE HAVE ZERO TOLERANCE TO CHILD ABUSE. We believe that every child has the right to grow, learn, and thrive in an environment free from harm. Our commitment to child safety is unwavering, and we prioritise the well-being of children in all aspects of our programs, services, and activities.

We hereby pledge to:

We encourage open communication and reporting of any concerns related to child safety.

We will provide ongoing training and education to our staff, volunteers, and relevant stakeholders on child protection policies, procedures, and best practices.

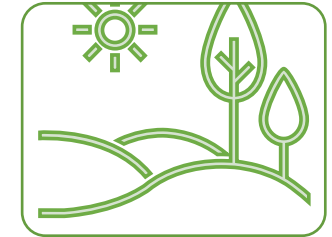

We will implement thorough screening processes for all individuals involved in our organisation who may have contact with children. This includes employees, volunteers, contractors, and anyone whose role involves interaction with children.

We prioritise the safety, protection, and well-being of children above all else in our organization's endeavours. Our policies and procedures are designed to ensure a secure environment for every child involved in our programs.

We will actively engage with the community, including parents, guardians, and other stakeholders, to foster a collaborative approach to child safety. Their input and feedback will be valued in enhancing our efforts.

We are committed to establishing and maintaining physical and emotional safe spaces for children in all our facilities, events, and activities. These spaces will be free from any form of abuse, neglect, or exploitation.

This Statement of Commitment reflects our dedication to creating a culture where children feel safe, supported, and empowered to reach their full potential. We understand the importance of safeguarding children, and we will continually strive to improve our practices and ensure that child safety remains a top priority within Australian Anatolian Community Services. We are dedicated to regularly reviewing and reinforcing our commitment to child safety to ensure the highest standards are consistently met.
